Dream • Laugh • Celebrate

## About Us

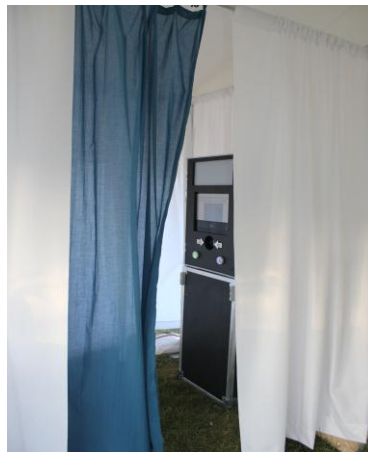

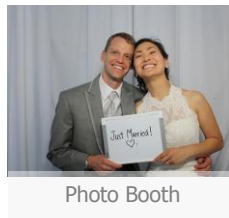

Waterlemon is a boutique event rental company focused quite simply on enhancing the joy of any event, party, or function.

We are dedicated to offering top quality and innovative entertainment and functional equipment, displays, and furniture for rent. Our promise to our customers is to treat every event rental as though it were for our own party.

## Photo Booth

Our photo booth is a state of the art, compact, portable system with a Canon Rebel DSLR Camera for quality, high resolution results. The booth can be set up almost anywhere and used with or without the draping.

Our price includes use of the photo booth and draping for 5 hours; dedicated professional attendant for setup, execution and breakdown of the booth; unlimited onsite prints for all guests; a flash drive with all photos for the event organizer; online web gallery of photos. Please see the yellow box to the right for additional details.
